Euroquality Group - Your reliable partner in Quality Improvement

Training Services

We teach You, Your consultants and Your Auditors!

Until now, we held over 250 seminars and courses with over 6000 certificates issued. Every month we organise some of 20 already known and accepted courses in series "Eurocollege". Beside authorities in Serbia, we are internationally authorized (IQA, IRCA and EARA) for QMS and EMS training. Our cooperation with training authorities all around the world helps our customers to have appropriate and latest fashioned training.

1. Our public courses and seminars are tailored according to latest scientific trends in quality management training.
2. In house, customer tailored training are prepared to answers all your needs for fine and never-ending quality management and quality improvements.

If you want to learn about ...
